LET'S BECOME A YOGURT EXPERT AT THE "DAIRY CAFE"

2023/11/13

Morinaga Milk Group, the pioneer group of building a sustainable society and encouraging children's development, have collaborated with KidZania Hanoi, a playing centre of entertainment and education, to bring the "Dairy Cafe" booth, an experience booth to create a healthy playground for children.

In the "Dairy Cafe" booth, children will become a "Yogurt Expert", and will experience making yogurt with a variety of toppings, and enjoy their own original yogurt after completion. At the same time, the "Dairy Cafe" gives children health and nutritional knowledge about products made from milk.

Through this collaboration of creating a meaningful and practical experience for children, Morinaga Milk and KidZania Hanoi hopes to bring children a healthy playground in an enjoyable format and promote better understanding of milk products and a habit of caring and using nutritional food.
