The Morinaga Milk Group held its third Women's Day event, "FULL OF HEALTH, FULL OF SMILES," in October, following previous events in October 2023, and March of this year. The venue continued to be Aeon Mall, a gathering place for

women and families, and this time the event was held at two locations: Aeon Long Bien store at Hanoi, and Aeon Binh Tan store at Ho Chi Minh City. The event was even more successful this time, with many customers participating.

Visitors enjoyed various activities while getting to know the Morinaga

Milk brand, experience the benefits of our group's products, and share these experiences with their families and friends with photos and social media.

Furthermore, at the Ho Chi Minh City venue, we conducted sampling of Pino in advance of the launch of our ice cream brands Pino, PARM, and MOW

in November. We received positive feedback from the tasters, such as "new style," "rich taste," and "fun to share with a group." The event was filled with many smiles.
