Morinaga Milk Group Featured in Interview with Leading Vietnamese Newspaper Tuổi Trẻ

Morinaga Milk Group's business development and sustainability initiatives in Vietnam have been featured in an interview published by Tuổi Trẻ, one of Vietnam's leading newspapers.

In the interview, Atsushi Kobayashi, Managing Executive Officer responsible for the International Division of Morinaga Milk Industry, shared the Group's approach to sustainable management, its commitment to creating long-term value in Vietnam, and its vision for contributing to society through both its business activities and community engagement.

The article also highlights the “Smiles & Health for Children” program, a flagship initiative that supports the health and holistic development of children in Vietnam. Through this program, Morinaga Milk Group works together with local communities to help build a healthier future for the next generation.

Since its launch in 2023, the program has supported nutritional and educational environments for children in mountainous areas of Vietnam through school meal facilities, nutrition education activities, and capacity-building initiatives for teachers and parents.

Guided by its corporate message, **“For Ever Brighter Smiles,”** Morinaga Milk Group will continue creating value that contributes to people’s health and well-being while growing together with local communities around the world, including Vietnam.
